OFF-HIGHWAY ADVENTURE TOUR SERIES

Moon Over Ocotillo Wells

Have you ever gazed at the Moon and had a flood of curious questions? How did it get there? What is a "blue" moon or a "harvest" moon? Why do animals behave so differently during a full moon? What stories have been told about the Moon in cultures other than our own? Join us for an off-highway adventure into the park to admire the desert moon and to discover answers to some of these questions.
