My comments are regarding:

☐ Humbug Trail Maintenance Project ☐ Juniper Flat Development Project ☒ Klamath Patrol District Proposal

Comments:

I strogeley support the need for law enforcement patrols to enforce forest regulations in our OHV areas. Enforcement is not just the responsibilities of U.S. Forest Service Law Enforcement officers; its also the responsibility of recreation and fire prevention officers (resource protection officers), Recreation Techicans protecting our recreation facilities and fire prevention technicans "preventing" wildfires by educating the users as it relates to possible fires resulting from equip failure and smoking or other fire uses such as campfires. "If not you, who?"
