Re: Colorado River Station application for OHV grant

To whom it may concern,

This letter is being written in support of the application filed by the San Bernardino County Sheriff's Department, Colorado River Station, for an off highway vehicle (OHV) grant from California State Parks. They are seeking an OHV to patrol the expansive desert areas around the City of Needles and down to the Parker Strip which are currently inaccessible by vehicle in order to provide law enforcement, search and rescue, and other activities for the safety of the public.

Your favorable consideration of their request will be appreciated.

Sincerely,

Rick

Rick Daniels
City Manager
City of Needles
