Law Enforcement

Nevada County Sheriff's Office,

I am a resident of the Buckeye Road area, near the Greenhorn Creek. I was asked by my neighbor to review and comment on your grant application for law enforcement needs.

I have reviewed the application and agree with the proposed application for funding the Nevada County Sheriffs Office for needs associated with OHV and Tahoe National Forest patrol.

As a resident of the Buckeye Road area, I too have seen an increase in the non-residential traffic along Buckeye Road. The traffic I observe is associated with the high use OHV area along Greenhorn Creek, accessed from Buckeye Road. Being a property owner I help with funding for Buckeye Road for maintenance needs. Buckeye Road is not a county maintained road and we (parcel owners) receive no additional funding from any agency.

I hope your grant application is accepted. I have lived in Nevada County for 30-years and recreated along Greenhorn Creek and within the Tahoe National Forest. Residing in the area of Buckeye Road, I am concerned with the increase in non-residential traffic and safety issues.

Thank you for this opportunity to comment on the application.
