Folsom, CA 95370**

**September 9, 2016**

**STAFF REPORT:** Grants and Cooperative Agreements Program

**STAFF:** Sixto J. Fernandez, Grants Manager

**SUBJECT:** Grants Program Update

---

**Summary**

As required by the regulations governing the Grants and Cooperative Agreements Program, the 2015/16 grants cycle began with the opening of the application process on January 11, 2016.

**Discussion**

On March 7, 2016, applicants submitted their preliminary applications for OHMVR Division and public review. OHMVR Division comments were sent to the applicants during the first full week of April 2016.

The Intent to Award was posted on the OHMVR Division website on June 6, 2016. The Division received one appeal in the Education and Safety category that was subsequently denied. All awards are now final.

Upon final approval from the Department of Parks and Recreation Director, the Grant Administrators will work with the successful applicants to prepare agreements for the projects.

While working on developing the project agreements, Grants staff will also approve payment requests from prior Grant cycles and close out open projects.

Additionally, Grants staff will begin work on the next grant cycle—the last one before the program sunset.
