

**OHMVR COMMISSION MEETING
Pismo Beach, CA**

December 12, 2014

STAFF REPORT: Law Enforcement/Public Safety
STAFF: Mark Hada, Visitor Services Manager
SUBJECT: Law Enforcement Projects

Summary

The OHMVR Division's Law Enforcement team has been contacting private landowners and public agencies to get permission to install OHV information kiosks at key access points to the Pacific Crest Trail.

Discussion

The Law Enforcement team sent out Memorandums of Understanding to 16 landowners whose property is regarded as key entry points for off-highway vehicle users in order to gain permission to install the information kiosks. To date, two landowners have replied and agreed to allow installation.

We have recently begun discussions with the Kern County Roads Department to check into the possibility of using county easements at locations adjacent to county roads.
