Consent Calendar Columns

The draft Consent Calendar was developed by the Commission Chair and Vice Chair after receiving input from the public, applicants and Commissioners at the Commission sub-committee meetings on November 3rd and 9th, 2006.

The “Consent” column, highlighted in gray, indicates projects placed on the draft Consent Calendar for consideration and approval by the full Commission at their allocation meeting.

Consent items indicated with an * are items placed on consent during the Commission sub-committee meetings where the public was given an opportunity to comment. These items were considered without further comment, unless removed by a member of the Commission.

Items with a ** are items that were placed on the Consent Calendar following review by the Commission Chair and Vice-Chair. Any person or group, including grant applicants, had the opportunity to be heard with regard to a ** item or items placed on the Consent Calendar following the sub-committee meetings by submitting a request form at the allocation meeting.

The “Final Consent” column, highlighted in yellow, is the Consent Calendar as voted on by the Commission at the Commission allocation meeting on December 8-9, 2006, and continued on January 25-26, 2007, in Sacramento.

The placement of the projects with a tied score on lines 25, 26, 27 and 28 was determined by a random selection method (drawing) pursuant to the regulations in Chapter Two of The Off-Highway Motor Vehicle Recreation Division Manual for Grants and Cooperative Agreements (March 2006). The funding cutoff is indicated by a red horizontal line. Projects below the red line will not be funded due to lack of funds. The project on line 26 will be funded with the remaining funds (\$90,173).
