

Inyo County Sheriff Department
550 South Clay St. P. O. Drawer S
Independence, Ca 93526

**Subject: INYO COUNTY OHV ENFORCEMENT PROGRAM GRANT FUNDING
REQUEST**

State Assemblywoman, Connie Conway, is sponsoring legislation, AB628, intended to establish a pilot program for an Eastern Sierra ATV Adventure Trail System for Inyo County. The intent is to establish combined use on county roads to allow ATV access to goods and services in our business communities. The legislation would also improve access to hundreds of miles of existing roads on our federal lands.

Assemblywoman Conway is sponsoring this legislation on behalf of Advocates for Access to Public Lands with consent from the Inyo County Board of Supervisors, local law enforcement and Owens Valley business communities.

We believe that a Eastern Sierra ATV Adventure Trail System will encourage an increase in ATV activities county wide.

A law enforcement presence on the ATV Adventure Trail System will play a major roll in the safety and welfare of the public and encourage its responsible use.

Advocates for Access to Public Lands supports the Inyo County Sheriff's request for OHV funding through the OHV grant process

Sincerely,

Dick Noles, President
AAPL
