Dear Ms. Roush:

This letter of support for Grant # G12-01-02-G01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and believes it is appropriate considering that fact that the Samoa Dunes OHV Area is only one of two legal beach/ocean-side riding areas in California. It provides a very unique and highly-valued OHV opportunity found in only one other place in the state. Ground Operations is the most important element of the "3 E's." I have toured your facilities and commend you on your maintained OHV facilities.

BRC strongly supports this grant and looks forward to working with you and other stakeholders to support OHV management on public lands in Humboldt County.

Best regards,

*Don*

Dear Ms. Roush:

This letter of support for Grant # G12-01-02-L01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and believes it is appropriate considering that fact that the Samoa Dunes OHV Area is only one of two legal beach/ocean-side riding areas in California. It provides a very unique and highly-valued OHV opportunity found in only one other place in the state. LE is an important element of the "3 E's" and a critical component in the successful management of the area.

BRC strongly supports this grant and looks forward to working with you and other stakeholders to support OHV-related LE on public lands in Humboldt County.

Best regards,

*Don*
