Rich Burns, Manager
BLM Ukiah Field Office
2550 North State Street
Ukiah, CA 95482

Dear Mr. Burns:

This letter of support for grants # G14-01-17-G01 and G14-01-17-L01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposals and believes these grants are appropriate given the quality motorized trail opportunities afforded the public at the South Cow Mountain and Knoxville OHV Areas. BRC believes the purchase of a Sutter 500 Dozer to complete current and future trail maintenance is a critical component of this grant as it will empower the unit to catch up on past repairs due to the inability to obtain a working dozer for trail maintenance.

BRC looks forward to working with you and other stakeholders in support of managed OHV opportunity on lands under the Ukiah Field Office's jurisdiction.

Best regards,

Don
