Laurence Crabtree, Supervisor  
Eldorado National Forest  
100 Forni Road  
Placerville, CA 95667

Dear Supervisor Crabtree:

This letter of support for grant # G14-02-03-G01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and commends the Forest for their ongoing and effective OHV trail management program which includes armoring trails, installing trail delineators, and maintaining soil erosion structures such as rolling dips and sediment catch basins. This grant will also fund a monitoring program for high-elevation alpine "meadow routes" after they are repaired and reopened.

BRC strongly supports this grant and looks forward to working with you and other stakeholders to keep and maintain these high quality and challenging OHV trails on the Eldorado National Forest.

Best regards,

*Don*
