Susan Skalski, Forest Supervisor
Stanislaus National Forest
19777 Greenley Road
Sonora, CA 95370

Dear Ms. Skalski:

This letter of support for Grant # G13-02-19-G01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and believes it is appropriate based on the fact that the agency manages high quality and popular destination and dispersed OHV recreational opportunities in the Central Sierra. The devastating 2013 Rim Fire adds extra import to the funding of this grant to help preserve and protect the unit's system trails. BRC appreciates the Forest's utilization of OHV trail-dozer specialists to maintain and/or repair routes.

BRC strongly supports this grant and looks forward to working with you and other stakeholders to support OHV recreation on the Stanislaus National Forest.

Best regards,

Don
