Dear Ms. Stratton:

This letter of support for grant # G14-02-12-S01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

The intense wildfire history at federal OHV sites lends import to the ongoing work of the California Archaeological Site Stewardship Program (CASSP). Identifying and protecting cultural resources particularly after a wildfire has burned off protective vegetation is an important tool in efforts to sustain long-term OHV opportunities on public lands.

BRC looks forward to working with you and the CASSP on this program.

Best regards,

Don
