Dave Myers, Supervisor
Shasta Trinity National Forest
3644 Avtech Parkway
Redding, CA 96002

Dear Mr. Myers:

This letter of support for grants - G14-02-16-G01 and G14-02-16-S02 - is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposals and supports agency efforts to manage and improve existing and new OHV opportunity on the Forest using federal staff and trained volunteers. BRC recognizes the many challenges that arise when a unit is creating a new formal OHV program where none had existed before. BRC believes these grants are an important step to help the agency fulfill its promise to the OHV community that it would manage existing OHV opportunities and undertake post subpart B-related project level trail planning.

Again, BRC strongly supports these grants and looks forward to working with you and other stakeholders to support existing and new OHV opportunities on the Shasta Trinity National Forest.

Best regards,

Don
