Additional Notes:

During the site visit, California State Parks OHMVR Division Staff accompanied a Nevada Sheriff's Deputy on an OHV patrol. We witnessed numerous contacts, displaying a positive balance between public education, safety awareness and enforcement of laws. Users from both California and Nevada were contacted, and the disparity between each state's laws were handled well by the deputy. The following week, USFS (Tahoe National Forest) Law Enforcement Staff were contacted and gave positive reports on the coordination and professionalism of the Nevada County OHV Program.
