RE: Humboldt County Off-Highway Vehicle Grant Application

Dear Commissioners:

Humboldt County is very proud of its partnership with the Off-Highway Vehicle Commission. Public use on our beaches and rivers requires intensive management and education. These areas are popular for a number of recreational activities, OHV riding being one of significance.

With your past support, we have been able to patrol sensitive wildlife and native plant habitat while providing for OHV riding opportunities. As stated in our March, 2009 letter (enclosed) "Our ability to maintain OHV access is clearly associated with our enforcement capability and your generous support". There have been recent agency and non profit acquisitions that will require more patrol and on-site education. Through our cooperative effort we hope to maintain our existing recreational activities and help manage all the public properties.

We very much appreciate your support and thank you in advance for considering our request.

Sincerely,

Clif Clendenen, Chair
Humboldt County Board of Supervisors
