STEVE,
Dear Lieutenant Knight:

The California Highway Patrol (CHP) fully supports the Off-Highway Vehicles Grant your department is currently submitting an application to obtain. If awarded this grant will support law enforcement on the off-highway vehicle areas within Humboldt County. The additional funding would also provide visitor safety, search and rescue capabilities, law enforcement, along with information and education regarding environmental issues and conservation concerns to the public in Humboldt County.

We look forward to working with you on this effort to enhance traffic and public safety, which is an area of mutual concern to both of our agencies. If you have any questions or require additional assistance, please call me at (707) 822-5981.

Sincerely,

D.A. Cannon
