Dear Sergeant Herdt:

This letter of support for Grant # G12-03-64-L01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and believes it is appropriate considering the size and scope of your patrol area including BLM lands at Cow Mountain and Indian Valley/Walker Ridge and Forest Service lands at Upper Lake. BRC believes that law enforcement to address both legal and illegal OHV use in areas served by your department plays an ever increasingly important role as various stakeholder groups – including BRC - work together to promote and protect responsible motorized and non-motorized recreation in your county.

BRC strongly supports this grant and looks forward to working with you and other stakeholders to support both destination and local-based OHV-related law enforcement on public lands in Lake County.

Best regards,

Don
