

FRIENDS FOR MADERA OHV PARK

Madera County is in the process of developing an OHV park for motorcycles and other off highway vehicles. By signing this petition you are showing support for a sport that involves families and fun by providing a resource to use the vehicles they purchased. For years we have faced discrimination because of the sport we have chosen. We have been paying green sticker fees and taxes with no return into our area. We now have a chance to recoup some of the money we have sent to Sacramento as well as develop a tax revenue for our county. We appreciate your support and look forward to many years of family fun and excitement.

Thank You.
