Re: Support for Stewards of the Sequoia OHMVR Grant Request 2015

To Whom It May Concern:

I am pleased to provide this letter of support for Stewards of the Sequoia grant request in order to assist the U.S. Forest Service and United States Bureau of Land Management maintain and improve motorized trail systems within California.

With shrinking federal and state budgets, volunteer groups like Stewards of the Sequoia are a key component to ensure continued successful maintenance of our trails. The trails they maintain served approximately 93,200 visitors within the last year. Stewards of the Sequoia have been doing an incredible job over the past decade to reduce environmental impacts and preserve access to public lands in my district with little to no outside funding. Stewards of the Sequoia are truly a valuable resource which deserves your grant support.

It is for these reasons that I strongly urge you to consider Stewards of the Sequoia's grant application.

Should you need any further information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Jean Fuller".

Jean Fuller, Senator
16th Senate District
