Folks;

We are pleased to support Yucca Valley Police Department's OHMVR request for grant funds. This department is faced with growing conflicts between residents and illegal off-roaders who disrespect private and public property.

In this economy, most local police departments are overburdened and underfunded. Yet Sgt. Jason Radeleff has demonstrated he is capable of taking on the difficult task of supporting responsible recreation while at the same time protecting residents from off-road trespass with only five officers on the OHV detail.

This small but robust team balances education with solid law enforcement and we commend their efforts.

Sincerely,
ORV WATCH KERN COUNTY
