Dear Mr. Harris:

This letter of support for Grant # G12-02-36-L01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and believes it is appropriate based on the size, scope, and import of the OHV program on the Mendocino National Forest. This unit is the largest destination Forest Service OHV area(s) in California. The camping/staging/green-sticker riding opportunity for casual use and permitted events is unmatched on Forest Service lands found elsewhere in the Western USA. BRC appreciates the excellent working relationship that LE has with the rider community and clubs.

BRC strongly supports this grant and looks forward to working with you and other stakeholders to support OHV-related law enforcement on the Mendocino National Forest.

Best regards,

*Don*
