Dear Ms. Heywood:

This letter of support for Grant # G12-02-16-G01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and supports agency efforts to manage and improve existing and new OHV opportunity on the Forest. BRC recognizes the many challenges that arise when a unit is creating a new formal OHV program where none had existed before. BRC believes this grant is an important step to help the agency fulfill its promise to the OHV community that it would manage existing OHV opportunities and undertake post subpart B-related project level trail planning.

BRC strongly supports this grant and looks forward to working with you and other stakeholders to support existing and new OHV opportunities on the Shasta Trinity National Forest.

Best regards,

Don

Dear Ms. Heywood:

This letter of support for Grant # G12-02-16-S02 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and supports agency efforts to create a volunteer trail ranger program. BRC believes that functional volunteer efforts are key elements of any successful OHV program. The Forest should be commended for this pro-active approach to their program.

BRC strongly supports this grant and looks forward to working with you and other stakeholders to support this new OHV volunteer program on the Shasta Trinity National Forest.

Best regards,

Don
