WELCOME!

California State Parks welcomes you to the OHV Highway Motor Vehicle Recreation Program. This OHV trail makes the California State Parks the largest off-highway recreation program in the United States. Established over 40 years ago, the OHV Highway Motor Vehicle Recreation Program, administered with local, state, and federal agencies, offers a wide variety of off-highway adventures and is dedicated to protecting California's natural and cultural resources.

Off-highway vehicle recreation is a great way to spend quality time with friends and family and enjoy healthy physical activity. Motorized recreation is a great way for people of all ages and abilities to participate in park activities. California State Parks is committed to protecting the public and the environment while providing an opportunity for recreation. We strive to create safe and enjoyable environments for all visitors to enjoy.

Regardless of whether you enjoy traveling with four wheels, two wheels, horseback, or on foot, you will find a range of opportunities through this OHV program. The OHV Highway Division works to ensure that the OHV experience is safe and enjoyable for all. We provide educational opportunities, trail maintenance, and other services to ensure that the OHV experience is safe and enjoyable for all. We also strive to protect the environment and ensure that the OHV experience is accessible to all.

So pump up your tires or pull out your boots and go on an adventure that will last a lifetime. If you have any questions, please contact your local community or park office.
