Comments submitted by the Off-Highway Motor Vehicle Recreation (OHMVR) Division to individual grant applicants should in no way be construed as a guarantee of successful results for the applicant within the competitive grants process or a commitment of funding. Additionally, the lack of comments by the OHMVR Division to any specific applicant does not ensure successful results for the applicant within the competitive grant process or a commitment of funding.

All final applications will be reviewed by the OHMVR Division. The OHMVR Division may, at its sole discretion, decrease the requested amount and eliminate activities pursuant with regulation Section 4970.07.2 (f)(1-5) and for law enforcement projects, regulation Section 4970.15.3(b)(1-5).

Failure by applicant to respond to any OHMVR Division comment of their preliminary application shall be cause for eliminating that item from the applicant's application.

Please note: If multiple proposed projects are requesting funding for the same deliverable, and multiple projects are successful, only one project will receive funding for the deliverable.
