Dear Sirs and Madams,

We are writing this letter in support of the Barstow BLM Field Office's grant request for restoration funding for the Juniper Sub-region. Riparian areas, the ACEC and private properties are being impacted by destructive OHV use. Non-compliant OHV use has resulted in proliferation of illegal routes and hillclimbs along with negation of previous restoration efforts. Augmentation of federal funding is needed to restore damaged terrain, to install necessary signage, to replace missing route markers and to provide a level of law enforcement.

Round Mountain Property Owners Association (RMPOA) is a coalition of residents and property owners in the region between Apple Valley and the San Bernardino National Forest. Our properties are admixed with Limited Use BLM lands intended to provide multiple-use recreational opportunities for the Victor Valley. The Juniper Sub-region includes an OHV open route network defined by WEMO and an ACEC created for protection of cultural resources.

We appreciate that you are currently monitoring this region.

Sincerely,

Dean W. Greenwalt  
Designated Representative
