## Hudner Ranch Open for OHV Recreation at Hollister Hills SVRA

Hollister, CA. — The long awaited opening of the Hudner Ranch 4x4 area located within Hollister Hills State Vehicular Recreation Area (SVRA) is finally here! The Hudner Ranch provides approximately 15 miles of narrow 4x4 trails spread across nearly 1,600 acres of rolling grasslands, chaparral, and beautiful oak woodlands.

The property was first purchased from the Hudner family in 1991 and has taken many years of planning and hard work to open. The Hudner Ranch is a showcase example of sustainable trails in a beautiful setting. We ask that park visitors protect their access to this unique area by staying on established trails. Cross country travel is not permitted anywhere within Hudner Ranch.

Hudner Ranch provides the perfect setting for a family outing, ROV (side by side) driving, or anyone looking for a scenic 4X4 experience in nature rather than a highly technical challenge. It is open for day use seven days a week from Sunrise to Sunset. There are two tent campsites available by reservation that offer spectacular views of the night sky coupled with the distant city lights of Hollister. For further information or to reserve the campsites please call the park at (831) 637-3874. We hope to see at Hudner Ranch soon!

*For more than two years, California has been dealing with the effects of drought. To learn about all the actions the state has taken to manage our water system and cope with the impacts of the drought, visit [Drought.CA.Gov](http://Drought.CA.Gov).*
