RE: 2015 OHV GRANT

Dear Mr. Crump;

Thank you for coordinating with the Plumas National Forest on Butte County's 2015 OHV Grant application. The Plumas National Forest supports both of Butte Counties OHV grants listed below that if awarded will result in improved OHV activities within the Plumas National Forest.

- Grant G14-03-86-GO1, Ground Operations that will provide funding to perform maintenance on various ML2 roads and OHV Trails identified in the Cooperative Forest Road Agreement between Butte County and the Plumas National Forest.
- Grant G14-03-86-PO1, Planning - Four Trees Road Acquisition will develop a feasibility study for an acquisition of a right-of-way or easement on Four Trees Road from Hwy 70 to the Plumas National Forest. It will also create a list that identifies what mitigation is required to add roads listed in the 2010 FEIS Plumas National Forest Public Motorized Travel Management in Appendix A to the Motorized Vehicle Use Map (MVUM).

Sincerely,

RANDALL J GOULD
District Ranger
