Comments submitted by the OHMVR Division to individual grant applicants should in no way be construed as a guarantee of successful results for the applicant within the grants process or a commitment of funding. Additionally, the lack of comments by the OHV Division to any specific applicant does not ensure successful results for the applicant within the competitive grant process or a commitment of funding.

Please note: If multiple proposed projects are requesting funding for the same deliverable, and multiple projects are successful, only one project will receive funding for the deliverable.
