Folks;

We are pleased to support the Sequoia National Forest Patrol District's OHMVR grant request. USFS Law Enforcement patrols are essential to protect the future of Kern County's valuable natural resources. This department has assisted the Kern County Sheriff's Department in law enforcement efforts, particularly during busy holiday weekends.

This Patrol District has a solid history of enforcement, having issued 144 citations in 2012. The public needs their presence in the forest to prevent further damage to public lands. As visitors to Kern County increase, more funds are needed to provide the USFS with the equipment needed to get the job done.

Sincerely,  
ORV WATCH KERN COUNTY
