

**REVISED**

**STAFF REPORT**

**AGENDA ITEM:** Commission 2011 Calendar

**STAFF:** OHMVR Division

**DATE:** December 2, 2010

---

**Background:** Section 5090.24. of the Public Resources Code (PRC) states that the Commission will meet at least four times a year at various locations throughout the state to receive comments on the implementation of the program. During this past year, due to travel restrictions and budget constraints, the Commission has not always been able to meet throughout the state, but has remained dedicated to providing the public with updated information regarding the program.

**Report:** A twelve month calendar has been provided for the OHMVR Commissioners with noted state holidays and other pre-scheduled meetings. In 2011, the Commission will need to approve the General Plan for Heber Dunes SVRA and Clay Pit SVRA. The proposed date for Heber Dunes SVRA would be late March/early April 2011. The proposed date for Clay Pit SVRA would be late May/early June.

**Commission action:** Identify four (4) meeting dates for 2011.
