Notes:

n/d¹ = No data; only HMP Part 1 was required the following year (certification of no risk factors to special-status species and/or sensitive habitats); no monitoring results submitted

n/d² = No data; HMP not submitted/required the following year (either no application or no projects involving ground disturbing activities); no monitoring results submitted

HMP not required = _____

2004, HMPs required only for acquisition, development and major maintenance, operation and maintenance, and resource management projects

2005-2007, HMPs not required when applications only included an LE project

2008-2009, HMPs required only when project involves ground disturbing activities

HMP Part 1 only = Applicant certified in HMP Part 1 the project certify in Part 1 of the HMP that none of their proposed activities pose a risk to special-status species
