RE: G10-01-17-G01, G10-01-17-L01

Dear Mr. Burns:

Please accept this letter from the BlueRibbon Coalition, a national trail group, as indication of **support** for your 2010/11 General Ground Operations Grant and Law Enforcement Grant.

BRC has reviewed the proposals and believes the size and scope of the grant package is certainly appropriate considering the importance of your facility to the statewide OHV recreation matrix. In the 2006 Thompson Wilderness Bill, Congress recognized the Cow Mountain OHV Recreation Area as a premier OHV site.

BRC appreciates the agency's commitment to this area and for your efforts to work with various stakeholders to improve trail opportunities on the unit. BRC also appreciates your work to host several OHV permitted events. As you know, these permitted events are an important element of the OHV program. Please continue your exemplary efforts.

BRC thanks your office for allowing us to comment.

Sincerely,

A handwritten signature in black ink, appearing to read "Don Amador". The signature is fluid and cursive, with a large initial "D" and a long, sweeping underline.
