Comments submitted by the OHMVR Division to individual grant applicants should in no way be construed as a guarantee of successful results for the applicant within the competitive grants process or a commitment of funding. Additionally, the lack of comments by the OHV Division to any specific applicant does not ensure successful results for the applicant within the competitive grant process or a commitment of funding.

Please note: If multiple proposed projects are requesting funding for the same deliverable, and multiple projects are successful, only one project will receive funding for the deliverable.

Development	G08-02-xx-D01
Project Description	
<ul style="list-style-type: none"> • Item A – The applicant may want to refer to the project differently (e.g. Hope Valley motorized trailhead). The Sno-Park existence is a peripheral issue. It is the existence of summer and winter OHV recreation, adjacent to the proposed project site that makes this project eligible under the OHV grant program. The application indicates that the yurt would be used to facilitate education of motorized and non-motorized recreation in the area. Only the portion of the yurt facility applicable to motorized recreation would be eligible for reimbursement through the OHV grant program. • Item B. - The applicant may want to focus on the OHV/OSV opportunities which are accessible from the proposed project. • Item C. - last sentence is cutoff
