10-1_{pm} Jr. Off-highway Ranger *District Office*

2:30-4_{pm} Roving Interpretation *Lower Ranch*

Hollister Hills interpreters are a treasure trove of knowledge about the park. As you see them ask them anything about the park, see if you can stump them.

7-8_{pm} Campfire Program *Day Use Area*

Come discover how one of California's largest predator survives in today's changing environment. Bring water, flash light, folding chair and your sense of wonder. You can even ride to the program and back to your campsite as long as you have the needed head & taillights.
