Meet at main Day Use Area

Time: 10:00 am -1:00 pm (check in at 9:30am, lunch at 12:00 pm)

Contact: Debra Cable (831) 636-2068, email dcable@parks.ca.gov,
or
Wes Gray (831) 636-2064, wesgray@parks.ca.gov

Cost: **Free**, admission to the park for volunteers!
Lunch and refreshments, donated by **HHORA** (Hollister Hills Off Road Association) and will be served after the planting is completed at 12:00 pm at the HHORA training building.

This event will be cancelled if there are heavy rains.

Activity & Purpose:

We are seeking volunteers to assist with the planting of native plants for beautification and restoration of several areas in the Lower Ranch. We will be adding plants to the New MX Track, Obstacross Track, the Bee Campground, and finally the Coyote Trail restoration area. We will be meeting in the main day use area just past the kiosk. Riders are encouraged to bring their bikes and ride to the different sites; the park will provide the tools and can assist in shuttling around those without bikes. Another very important purpose of this event is to raise awareness of the importance of beautifying this area for park visitors while improving habitat values.

Don't forget your works gloves!
