

# HOLLISTER HILLS

## Interpretive Event Schedule

### Saturday October 29

**1-4pm Roving Interp Lower Ranch**

You might see a park interpreter on the trail or around the campgrounds. They are a treasure trove of Hollister Hills information remember to talk to them if you see them.

**1-5pm Interpa-Quad Lower Ranch**

Location: Campgrounds. Interpa-quad engages visitors in safety talks, hands on activities, and demonstrations. We are taking the visitor center out to the riders.

**6-8pm Halloween Hike Nature Area (lower ranch)**

Costumes are encouraged! Come learn about the seldom seen night creatures of Hollister Hills. This easy trail is less than a mile and perfect for all ages. Make sure to bring a flashlight and wear good hiking shoes.

This time of year you may have seen tarantula's on the road or on the trail. These are the male spiders looking for a mate. Courship is quick, with the male trying to escape before he finds himself as a meal for his mate.
