White Rock Road Closures & Traffic Restrictions *-October 8 to 12, 2013-*

Sacramento, CA – The Sacramento County Department of Transportation is alerting motorists that upcoming White Road Improvement Project work includes intermittent daytime lane closures and a one-day closure of White Rock Road from Grant Line Road to Prairie City Road. Anticipated closure dates may change due to weather conditions. Information about lane and intersection closures is listed below:

- **White Rock Road - Alternating Lane Closures:** Eastbound and westbound lanes on White Rock Road from 1,700-feet east of the intersection of Grant Line Road to Prairie City Road will be closed in an alternating fashion. Construction activities will include: asphalt-base and asphalt-concrete placement and striping. A lane in each direction will be open for traffic.

Anticipated Work Schedule - October 8 to October 12: There will be alternating lane closures from 8 a.m. to 6 p.m. each day. **Detours:** Motorists can detour to Sunrise Boulevard or U.S. 50 to avoid construction activity.

- **White Rock Road from Grant Line Road to Prairie City Road – 24-Hour Closure:** White Rock Road, including intersections at Grant Line Road and Prairie City Road, will be closed starting 9 p.m. on Friday evening for a 24-hour period.

Anticipated Work Schedule – October 11 to 12: There will be a full closure of this section of White Rock Road and these intersections from 9 p.m. on Friday

News Release

October 11, to 9 p.m. on Saturday, October 12. **Detours:** Eastbound motorists can take Douglas Road to Sunrise Boulevard. Westbound motorists can take Scott Road to U.S. 50. Access will be maintained for emergency vehicles and visitors to the Prairie City Vehicular Recreation Area (PCVRA) during these closure periods. Access from White Rock Road and Grant Line Road from the west and White Rock Road from the east will be closed. Visitors to PCVRA must enter via Prairie City Road, and flaggers will guide vehicles to the facility.

Roadway Construction: These lane and intersection closures are needed as part of the White Road Road Improvement project. White Rock Road is being realigned to intersect with Grant Line Road approximately 700 feet south of the existing intersection. The road will be widened to two lanes in each direction, with paved shoulders and medians. Check www.sadot.com for updated project information and to sign up for automatic email updates.

Your Patience is Appreciated: Sacramento County understands the challenges and inconvenience that commuters, residents, businesses, bicyclists and pedestrians will experience during the closure period. The patience and cooperation of the traveling public is appreciated as we work to complete this project.

Contact Information: For additional information about the project or detour routes please contact: Scott Werth (Project Manager) at 916-874-5259 or werths@saccounty.net, or Greg Smith (Resident Engineer) at 916-838-1306 or smithgr@saccounty.net
