

OFF-HIGHWAY ADVENTURE TOUR SERIES

Exploring the Solar System

Have you ever wondered what it would be like to travel “out of this world?” Join us as we take a tour of our solar system—*no space suit required!* A prelaunch briefing will be held at the Discovery Center. From there, the mission will launch from the Sun and travel through the solar system locating each planet until we finally reach the dwarf planet of Pluto. Find out just how big our solar system is, and become one the first “off-highway astronauts!”

Tour Date:

Monday, March 24, 2014
