

# WHIP AND FLAG REQUIRED ON THE DUNES AT OCEANO DUNES SVRA

- A whip is any pole, rod, or antenna securely mounted on the vehicle that extends at least eight feet from the surface of the ground, and must stand upright when the vehicle is stopped.
- The flag must be solid red or orange colored, a minimum size of 6" x 12", and within 10" of the top of the whip.
- All non-highway registered vehicles must have a whip and a flag to operate in the SVRA. All highway registered vehicles must have a whip and a flag to operate in the dunes.

# ADULTS ARE RESPONSIBLE FOR CHILDREN'S SAFETY!

- All OHV operators, regardless of age, must be able to reach and operate all vehicle controls. [CVC §38304]
- Officers may cite the parent or other adult responsible for a child under age 14 for allowing that child to operate an inappropriately sized OHV. [CVC §38304, §38304.1]
- No person shall operate an OHV in a manner which endangers a child occupant, or allow a child to operate an OHV dangerously. [Title 14 CCR §4609 (c) & (d)]
- Obey 15 mph speed limits on the beach and in the campground. [CVC §38305, §38310]
- A properly fitted and securely fastened safety helmet is required for all ATV riders. [CVC §38505, §27802]
