## **URBAN GREENING APPLICANT ELIGIBILITY AND AVAILABLE FUNDING**

### **Projects -**

Guidelines and FAQ's are available at: <http://sgc.ca.gov/>

- Cities, Counties and Nonprofits are eligible to apply. **However, for interested entities that are not eligible to apply, we encourage partnerships with eligible applicants.**

Subject to legislative appropriation and future bond sales, up to \$15.1 million will be available for urban greening projects.

### **Plans –**

Guidelines and FAQ's are available at: <http://sgc.ca.gov/>

- Council of governments, countywide authorities, metropolitan planning organizations, local government (cities, counties, local joint powers authorities, special districts), and nonprofits are eligible to apply.

Subject to legislative appropriation and future bond sales, up to \$5.8 million will be available for urban greening plans.

### **CONCEPT PAPERS**

Whether you attend the workshop or not, you may send a one-page summary of your proposed project for input regarding eligibility and competitiveness to the following email address: [urbangreening@resources.ca.gov](mailto:urbangreening@resources.ca.gov).

---

**Applications are due by 5:00 p.m., Friday, April 30, 2010.**

**COMING SOON!**

**After March 1, 2010, application forms can be completed online.  
Go to <http://sgc.ca.gov> for the link to the online application form.  
The application package must be submitted in hard copy form, according to the published Guidelines.**
