STAFF REPORT: OHMVR 50th Anniversary Resolution

STAFF: Don Schmidt, State Park Interpreter I (RA)

SUBJECT: Proposal to Approve a Resolution Recognizing the OHMVR 50th Anniversary

Summary

Earlier this year, the Off-Highway Motor Vehicle Recreation (OHMVR) Division created a 50th Anniversary Committee to develop and implement a plan to celebrate the legislation establishing the California State Parks OHMVR Division. Part of that plan includes a resolution recognizing the official 50th anniversary throughout 2021.

Discussion

In 1971, legislation coauthored by two state legislators, off-roading enthusiast Gene Chappie, and environmental supporter Ed Z'berg established the California State Parks, OHMVR Program. This ground-breaking legislation allowed for the designation, funding, development, and responsible management of State Vehicular Recreation Areas (SVRA).

Approval of this resolution will officially recognize the 50th anniversary of the OHMVR Division, and the success of OHV recreation in California, from January 1, 2021 through December 31, 2021.

Commission Action

1. Adopt the resolution
2. Amend the resolution
3. Take no action
