

## **2025 (G25) Grants and Cooperative Agreements Program Colusa County Sheriff's Office's Preliminary Application Comments**

---

Comments submitted by the Department of Parks and Recreation (Department) Off-Highway Motor Vehicle Recreation (OHMVR) Division to individual Grant Applicants should in no way be construed as a guarantee of successful results for the Applicant within the competitive Grants process or a commitment of funding. Additionally, the lack of comments by the OHMVR Division to any specific Applicant does not ensure successful results for the Applicant within the competitive Grant process or a commitment of funding.

Failure by the Applicant to respond to any OHMVR Division comment of their preliminary Application may be cause for eliminating that item from the Applicant's final Application.

All final Applications will be reviewed by the OHMVR Division. The OHMVR Division may, at its sole discretion, decrease the requested amount and eliminate activities pursuant with regulation Section 4970.07.2 (f)(1-5) and for Law Enforcement Projects, regulation Section 4970.15.3(b)(1-5).

#### **Needs Enforcement Certification**

- No comment.

#### **Project Cost Estimate**

- Materials / Supplies #1 "OHV Safety Equipment" - Applicant must further clarify how the cost was determined. Cost seems excessive.
- Equipment Use Expenses #1 "Trailer daily use fees" – Per the Program regulations, Trailers are not considered Equipment and therefore are not eligible for a use fee. Applicant must remove the line item.
- Others #1 "Trailer" – Applicant must confirm this is an enclosed Trailer. Cost seems excessive for a non-enclosed Trailer.
- Others #4 "Decals for SXS" – Item is considered an indirect expense as they do not directly relate to the completion of the Project. Applicant must move the line item and its associated cost to the Indirect Cost category.
