

2025 (G25) Grants and Cooperative Agreements Program Plumas County's Preliminary Application Comments

Comments submitted by the Department of Parks and Recreation (Department) Off-Highway Motor Vehicle Recreation (OHMVR) Division to individual Grant Applicants should in no way be construed as a guarantee of successful results for the Applicant within the competitive Grants process or a commitment of funding. Additionally, the lack of comments by the OHMVR Division to any specific Applicant does not ensure successful results for the Applicant within the competitive Grant process or a commitment of funding.

Failure by the Applicant to respond to any OHMVR Division comment of their preliminary Application may be cause for eliminating that item from the Applicant's final Application.

All final Applications will be reviewed by the OHMVR Division. The OHMVR Division may, at its sole discretion, decrease the requested amount and eliminate activities pursuant with regulation Section 4970.07.2 (f)(1-5) and for Law Enforcement Projects, regulation Section 4970.15.3(b)(1-5).

Project Cost Estimate

- Staff #1 "Grant Manager" – Applicant must provide additional information on the duties and/or activities to be performed on the Project.
- Equipment Use Expense #1-3 & 5 – Cost appears excessive. Applicant must provide additional justification for claiming the daily use rate. Applicant must clarify how often, in terms of day(s), the piece of Equipment will be used on the Project. Applicant must provide justification and supporting evidence for the selection of the unit of measurement. Applicant must include in its justification how the selection results in cost savings for the State.
- Equipment Use Expenses #2 "Mini Excavator" – Cost significantly increased compared to the prior year's Application. Applicant must provide additional details to justify the cost.
- Equipment Use Expenses #4 "PNF Vehicles" – Applicant is reminded Equipment fuel (use) expenses are reimbursed based on actual cost, not per mile charge. If applicable, Applicant must describe in the notes section how fuel (use) costs were determined (a per mile charge provided for the methodology would be acceptable) and change the unit of measurement to "Each" or "Miscellaneous."
- Equipment Use Expenses #5 "Crew Motos" – Applicant must clarify specifically how the Equipment will be used on the Project.
