

OHMVR Commission 2026 Ad Hoc Committees

Proposed Ad Hoc Committees:

1. OHMVR Program Economic Benefits – Work with the OHMVR Division staff and consultants to develop a strategy to inform the broader public about the economic benefits of OHV use in CA.
Commissioners Mueller and Ross-Leech
2. OHMVR Public Access Project – Support project staff in identifying and acquiring additional lands to expand OHV recreational use, as well as potential acquisition partners.
Commissioners Lemmon and Salazar
3. OHMVR Grants Program – Support ongoing and planned enhancements for the Grants Program.
Commissioners Mueller and Patrovsky
4. Volunteer and Community Activities – Work with OHMVR Division SVRA leaders, NGOs, Local Conservation Corps, American Conservation Experience (ACE), OHV community, and other partners to participate in hands-on activities at SVRAs, such as career pathway programs for young adults, clean-ups and community events. This could also include spearheading Commissioner attendance at seasonal OHV events such as King of Hammers, Tierra del Sol, etc.
Commissioners Salazar and Urena
5. Annual Safety Summit – Collaborate with the Safety Leadership team on the agenda topics and featured speakers for the annual Safety Summit, support and promote attendance by Commissioners to the regional Safety Weeks and promote general safety practices and training.
Commissioners Patrovsky and Urena
6. ODSVRA Dialogue – Meet three times/year with Oceano Dunes District Superintendent and members of the OHV community to discuss operations, maintenance, special projects, and any other topical issues.
Commissioners Anderson and Ross-Leech

7. OSV, PCT and E-Bike Issues – Meet with OHMVR leaders, USFS and PCTA representatives to discuss OHV and OSV trail interactions and conflicts, solutions and needs.

Commissioners Lemmon and Patrovsky

8. 2028 Triannual Report – The Commission's Liaison with division staff will create the 2028 OHMVR Commission Report. The report will cover 2025, 2026 and 2027 per the PRC§ 5090.24 (h). It is due January 1, 2028. The ad hoc committee will give the commission updates on the progress of the report and assist with content suggestions.

Chair Ross-Leech and Vice Chair Anderson

9. Rubicon Trail Dialogue:

Commissioners Lemmon and Salazar
