455 Market Street, Suite 300
San Francisco, CA 94105

Dear Mr. Ainsworth,

My name is Patricia Ureña, Chair of the Off-Highway Motor Vehicle Recreation (OHMVR) Commission. I am respectfully requesting a meeting via Zoom or in-person with Steven Padilla, California Coastal Commission Chairperson, and Vice Chairperson Donne Brownsey, Vice Chairperson of the OHMVR Kimberlina Whettam, and myself.

The OHMVR Commission respects the California Coastal Commission and the work it does to protect California shorelines and wildlife. The work the California Coastal Commission does is commendable. The OHMVR Commission would appreciate an opportunity to let the California Coastal Commission know what the OHMVR does to maintain trails, protect parks, and conserve the natural environment. Holding this meeting would provide both of commissions with the opportunity to become acquainted in hopes of establishing an open line of communication and encouraging future collaborative efforts that will benefit off-highway vehicle (OHV) users and the OHV community.

During this Covid-19 pandemic, we have seen tremendous growth in Californians using outdoor park system and trails, especially with off-highway vehicles. I would like to invite the California Coastal Commission to have a respectful conversation with the OHMVR Commission to discuss ways to work with each other.

Thank you for your time and consideration, we kindly wait for your response.

Sincerely yours,

Patricia G. Ureña
OHMVR Commission Chairperson
