Evaluation Criteria

- #3 - Applicant has been responsive. Add 3 points.
- #4 - Narrative does not support the selection. It is unclear how "Siskiyou Outdoor Recreation Alliance" will actively participate in the Project, as marketing is not active participation. No points have been deducted.

- #7 - Narrative does not support the selections of “Process of researching issues and audience”, “Objectives and outcomes,” and “Evaluation and feedback received from Project participant”. Deduct 6 points.
- #8 - Narrative does not support the selection of “Printed media” or “Interpretive talks, rides, events.” Printed media was removed from deliverables, and interpretive talks are duplicative of outreach booths due to the nature of the event. Deduct 4 points.
- #10 - Selection is not conducive with the selection in #9. While the Applicant likely has message exposure greater than 1,000, the majority of contacts are not in classroom settings. Change to “5 minutes to less than 1 hour.” Deduct 1 point.
