Park Rules and Regulations

You are responsible for knowing park rules and regulations. All provisions of the California Vehicle Code are enforced. A copy may be found at: www.dmv.ca.gov/pubs/vctop/vc/vc.htm. If you have questions, please see the park staff or call (661) 248-7007.

The term OHV means off-highway vehicle. Any motor vehicle operated off-highway is an OHV. A highway licensed vehicle is an OHV when operated off of the highway. Vehicles having green and red stickers are OHVs.

ALCOHOL: Open container and DUI laws apply off-highway just as they do on-highway. Don't drink and drive. Alcohol is only allowed in your campsite.

ATV LAWS: There are laws which apply specifically to the operation of ATVs only. (For more complete information please see reverse page.)

DOGS: Dogs must be kept on a leash at all times. Please pick up after your dog.

LIGHTS: OHVs operated between sunset and sunrise must display at least one lighted white headlight and one lighted red taillight visible from 200 feet.

NOISE EMISSIONS: The law limits noise emissions from all OHVs. Noise emissions for most OHVs are limited to not more than 96 dBA when measured from a distance of 20 inches using standardized test procedures. For more specific information, go to: www.ohv.parks.ca.gov/noise_emissions.

REACH AND OPERATE ALL CONTROLS: All operators of off-highway vehicles must be able to reach and operate all controls.

REGISTRATION: When operating an OHV you must display either a license plate or an OHV sticker. OHV stickers include "Green Stickers," "Red Stickers," California Nonresident OHV Use Permits, and OHV stickers from states that have an OHV program.

RED STICKER RIDING SEASON: Red stickers are not allowed to operate in the SVRA from May 1st - September 30th. These dates are established by the California Air Resources Board (CARB) and are subject to change. Please call the park for updated information.

SPEED: Please follow posted speed limits throughout the park. In camping and developed areas, keep speeds to 15 mph or less. Never drive faster than is safe for conditions.

SPARK ARRESTERS: All vehicles operating off-highway must be equipped with either a street legal muffler or a spark arrester maintained in effective working order.

SUSPENDED OR REVOKED LICENSE: Anyone whose driving privileges have been suspended or revoked is prohibited from operating any motor vehicle, on- or off-highway.

VEGETATION: It is never legal to drive or ride over vegetation. Always stay on established trails.
